This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Quail Hollow Utilities, Inc. (the Applicant) for an extension in its pre-file date to August 1, 1995.

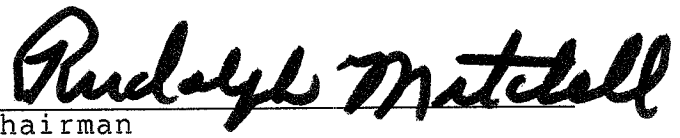

Our Order No. 95-1093 established a pre-file date of July 27, 1995 for testimony and exhibits of the Applicant. Applicant states that due to unavoidable absences from the office, that counsel have not been able to assist the Applicant in preparation of testimony and exhibits in as timely a manner as is desired. The Company therefore desires an extension of time in which to pre-file its testimony and exhibits until August 1, 1995.

The Commission has examined this matter and believes that the relief sought by Quail Hollow Utilities, Inc. should be granted. The Commission reminds the Applicant that parties shall serve their pre-filed testimony and exhibits on all other parties of record as required by the Commission's Rules and Regulations and

that any modification of this date must come from a request for such modification with the Commission.

This Order shall remain in full force and effect until further Order of the Commission.
